RE: *United States v. David R. Olofson*
Case No. 06-CR-320

Dear Magistrate Judge Callahan:

On March 15, 2007, the Honorable J.P. Stadtmueller discharged Attorney Christopher W. Rose from representing Defendant David Olofson. Judge Stadtmueller recused himself and the case has been reassigned to the Honorable Charles N. Clevert. I have been appointed to represent Olofson in place of Attorney Rose.

The case has been referred to this Court to resolve Olofson's motion to suppress evidence. In light of the fact that defense counsel has not yet received the discovery, counsel asks the Court to allow counsel until April 12 to determine if the currently pending pretrial motion is meritorious, and to allow counsel to file additional pretrial motions if appropriate. Counsel does not believe additional time to file pretrial motions will interfere with Judge Clevert's calendar given that no trial date has been set.

Thank you for your attention to this matter.

Sincerely,

/s/ **Brian P. Mullins**
